

PRESS RELEASE

December 22, 2022

Gustavo Olivares, Mayor

The Brownsville Weather Service is predicting extremely cold weather on Thursday night, December 22, 2022, and continuing until Sunday, December 25, 2022. The temperatures will be at or below freezing.

Please take the following precautions:

- 1. Cover all pipes.**
- 2. Provide shelter to pets.**
- 3. Cover all tender plants.**
- 4. Leave a small drip on a faucet so the pipes will not freeze.**
- 5. Please be careful with space heaters and should not be left untended.**
- 6. Do not use charcoal to warm your house it can be deadly.**
- 7. Do not operate generators inside your house.**
- 8. Please cover all sprinkler backflow preventer pipes.**

Below is a list of warming shelters if any citizen needs to a warm place to stay.

1. City of Brownsville Warming Center at Brownsville Sports Park 1000 Sports Park Blvd, Brownsville.
2. City of Brownsville Recreation Center Downtow 1338 E. 8th Street. Brownsville
3. City of Harlingen Community Center 201 Madison Ave, Harlingen
4. City of La Feria Fire Station 115 E. Commercial Ave. La Feria
5. City of Port Isabel 110 W. Hickman Ave., Port Isabel

Again, temperatures will be below freezing on these days so please be careful.

Have a Merry Christmas and a blessed New Year.
