The City Boat Ramp Park has been renamed to SPECKLED SEA TROUT PARK by the City Commission.

The Speckled Sea Trout Park boat ramp and the kayak docks are fully operational.

The park, which includes the fishing pier, play structure, pavilion, and walking trail, is pending inspection by the Texas Department of Licensing and Texas Parks and Wildlife.

The planting of trees and paying kiosks are pending and will be completed by February 28, 2023.

The park is anticipated to be opened by the end of January 2025.
