

GIVING THANKS: RIO HONDO SERVES UP HOLIDAY JOY

The spirit of giving is strong in Rio Hondo! The City of Rio Hondo utilized its resources, led by City Administrator Ben Medina and Rio Hondo Library Director Alex Garza, to provide a full Thanksgiving dinner to a local family.

We also want to give a special thank you to Dolores Garza from the Elementary Front Office for her invaluable help in coordinating this process! Thank you to our Mayor and City Commissioners for their commitment to these vital community programs.

Every family deserves a warm meal and a moment of joy on the holidays.

If you or someone you know is in need of assistance or local resources, please feel free to reach out to the Rio Hondo Library. Our dedicated librarians are available to help connect you with available support programs.
